Friends of GMBCU Prize Draw 2024

Introduction

The Friends of GMBCU Prize Draw Committee have reviewed the administration processes associated with operating the 2024 Credit Union Prize Draw. The monthly figures have also been checked and the automated procedure for drawing winners has been verified.

Ticket sales for 2024 totalled £14,726 compared to sales 2023 which were £14,176 this was an 3.8 % increase in annual ticket sales.

We relaunched our Prize Draw in April 2021 and to date our GMBCU members have participated enthusiastically providing support to 46 charities with total donations of over £30,000.

We may not have the funds of the National Lottery however our Prize Draw is giving GMB members a lot of enjoyment and we have received wonderful feedback from the individual charities who have been nominated by our members.

A full record of all Prize Draw winners is maintained in the Credit Union Office and is available for members to view at any time.

Times are hard for the charity sector so, participate in our member Prize Draw have some fun, support your community, and give yourself a chance of supporting your favoured charity.
